Assembly Instructions

Step 1

Use the Hart Jig Saw to cut the coffin shape.

Step 2

Use a second sheet of plywood to cut a 1 inch coffin shape boarder to place on top of the coffin shape.

Step 3

Sand the edges on both pieces of plywood.

Step 4

Paint the first piece of plywood with black paint.

Step 5

Use orange paint for the 1 inch coffin boarder.

Step 6

Use Mod Podge to coat the coffin boarder, then add orange glitter all around the surface.

Step 7

Use a Brad Nailer with 5/8 inch nails to attach both pieces of wood together.

Step 8

Painted the wooden letters white, and then added white glitter.

Step 9

Use the Hart Hot Glue Gun to attach the wooden letters to the sign in a random fun pattern.

Step 10

After the above steps are complete, you can further embellish the project with glitter spiders and a web design.

Step 11

Use the Hart Hammer Drill to secure a screw into the brick.

Step 12

Hang your project up and you are done!
