## PROJECT PLAN

**Skill Level:** Beginner

Item	Qty
1" x 6" x 4" Oak Plank*	1
3/4" Oak Dowel Rods (3ft)*	2
1" Stain Grade Project Panel in size of choice*	1

\* Board Dimensions are "nominal". Actual dimensions are smaller due to lumber industry standards. Cuts are actual length. A select/premium board or plywood comes with a smoother surface finish. It is clear or has very few tight knots, and it will have straight and sharp edges. This grade of wood pairs well with other boards or panels better and requires less time to sand and finish.
