# Assembly Instructions

---

## Step 1

Print out tic-tac-toe lines on paper to trace with the Rotary tool on one of the 12"x12" wooden boards.

---

## Step 2

Use the 2" hole saw and drill on the second 12"x12" wooden board to cut out 10 2" game pieces.

---

## Step 3

Using the rotary tool, trace stars onto 5 of the wooden circles and stripes onto the other 5.

---

## Step 4

Paint the star circles blue, the stripe circles red, & the game board white. Enjoy!
